SUBJECT

No. 308/8 8th Jan. 1886 from the Secy. to the Govt.

Sy Inamdars in the Bangalore District.

The Supt. of the Nandidrug Div. submitted statements showing the Kayamgutta & Inam villages which have till then enjoyed Abkary profits some in virtue of tody & arack bring fees fixed in their Sanads and others merely by the permission of the Revenue Authorities. It appeared to the Supt. that while those individuals & institutions that could prove by their Sanads that the Abkary of their villages was granted & them were entitled to compensation the expediency of making any such concession in cases of unauthorized privileges was doubtful. Orders on the general question were solicited, as complaints

A D after memo. submitted
ith the above letter states
hat the toddy arrack
f the late Bangalore
Division had been rented
by W. J. Morgan & Gelay
allaparatty for 5 years
rom 1st May 1862 to April 1867
n condition that they
should not interfere with
ose items in the Inam,
odi & Kaigunguttu villages
ie holders of which
ere allowed them in their
anams. but that from
May 1864 arrack had been

the new system. The question
as whether the Inamdars
quisition might be paid
nually compensation calculated
fter deducting the Expense
distilling arrack and

the cost of establt from the total collection of the respective villages as was done in the late Amany Management. By allowing the Inamdars to establish stills in their villages would give great room for fraud.

2. Reports were called for on the subject from the Supts of the Ashtagram & Nagar Divisions.

3. The Supt of Nagar stated that no distillation of arrack in Inam villages should be permitted. But to those Inamdars to whom the abkaree revenue was granted by their Sanads the license fee levied on the Retail shops open in their Inam villages may be paid, to care being taken at the same time that the rate is fixed & the selection made only by the

The Shemoga Dy. Supt's report goes for nothing, reported The Kadur Dy. Supt. that the only Inamdar who claimed the Abkary Revenue in his District was the Sringeri Mâth, for the villages of Sringeri in Ogar and Belwadi in the Chickmagalur Taluk. At the time when the Abkary was in Inam the Inam village (Sringeri) was supplied with arack at home cost. Since the introduction of the Sadder distillery system there was a retail shop in Sringeri for a few months and the fees collected from the vendor was credited to for. Belwadi todd. was given out on contract by the Inamdar & no arack seemed to have ever been distilled at that place.

1. With reference to the
above instructions (para 5)
the Nagar Supt reported that
the Sringeri Mat was
required to produce its
Sanad under which the
Abkaree revenue was claimed,
and that from the copy of this
Sanad, dated 1828
produced by the Mat Parpattegar,
it was clear that the original
Sanad of the Mat had been
lost prior to the death of the
Peroop, & that the Abkaree
revenue had nevertheless
been enjoyed by the Mat.
The Supt recommended that
the license fees on such
shops as might, in com-
munication with the Dept.

Supt be established in the Sringeri Inam, might be paid to the Mal and that the retail dealers be directed to supply themselves from the nearest Wholesale shops or Sadder Depôt, as may be determined by the Dy Supt.

In conveying the Commissioner's sanction to the Supt's recommendation, it was observed that upon the understanding however since the date of Kishnaji Nerodji's 828 [illegible] of the Sringeri Mahal the Abkary revenue [illegible] Inam villages had been recognized payments may be made to the Mal Dept license fees levied in the Retail shops which may with the concurrence, and under the authority of the Dy Supt be established in the Sringeri Inam villages.

from the Collector of the
Zilla Mal was forward
ed to the Nagar
Supt. the former for his
opinion & the latter for
report whether it was
advisable to establish a
stamp Vendor at Sringeri.
Extract. Para 4. The
revenue derived from
Panchbab in Shringeri
Pagheri belonged from time
immemorial to the Mah.
Latterly the collection of the
revenue on this head was
returned in Cowaree to the
Govt. & was paid to the Mah.
But now the Govt. had taken
the collection of the revenue
& relieved them of
prospriated it & themselves
is therefore now desired
that the revenue may be
ored to the Mah as for
merly.
Para 9. Stamp papers
sold by the Govt. for the

Jaghear villages, & the revenue derived therefrom was added to the Circar. It was requested that this privilege may be attached to the Mat.

2. With reference to para 4 above (Extract) the Nagar Supt. observed that the original Sanad of the Mat has never been produced so that it could not be positively asserted that the Mat was entitled to the Abkaree collections until this document had been scrutinized by the Inam Comm. The Mat however by custom formerly enjoyed the profits realized by distilling & selling arrack a system which was modified when the Abkaree was taken under the direct management of the Govt & arrack was supplied at prime cost, the Mat obtaining it.

the profits on the retail
sale. In accordance with
the Secretary's letter No 1183
of 27th June 66 the license
fees on retail shops within
the limits of the Drum
were allowed to be taken
by the Mah. It appeared
therefore that the press
application was for the
sole head duty of 7½ Re
per Gallon & though the
Supt was not prepared
say that the claim of
Mah was inadmissible,
he did not see how it
could be allowed without
the risk of gross abuse. It
would be impossible to per-
mit the Srirangam officials
to take whatever quantity
of liquor they liked from
the Govt Distillery free of
duty, as they would, of course
take as much as they
could at the distillers
price and make a profit

by his position to sell at a lower rate than any other retail sellers could afford to do. They could moreover clandestinely supply retail sellers beyond their limits with liquor cheaper than the latter could buy it at the Distillery, and it was therefore probable that the Govt. revenue wd. suffer. The only way that the Supt. could suggest of meeting the difficulty (if the claim of the Goorso was admitted) was to place a certain limit on the quantity of liquor allowed free of duty to the Mât.

With reference to 6th para of above the Supt. thought that the Mât could not either on the grounds of their Samad or custom rightly claim the stamp revenue, but the amount was so insignificant (No. 921-13.-P.A.)

that it had not been worth the while of a vender to remain in Srinagar & sell stamps. The real object of the Sooroo was not, the Supt believed, to get the trifling sum realized by the sale of stamps, but to obtain the exclusive power of issuing stamp papers to applicants & thus be able to refuse to give them in cases in which any transaction was distasteful to the Sooroo or other leading parties in Srinagar.

Secretary's No. 679 / 138
dt March 68

3. The Supt was requested to report what amount was formerly realized by the Shringar Mart when the Abkari was retained in Amani & what sum was now realized by fees from license dealers. The difference appears to be the sum to which the Mart was entitled if it enjoyed the right of distilling.

receipts was declared to be inadmissible.

4. The following information was recd. furnished by the Nagar Supt.

Docket No. 114/38 of 4th June 1868, to the Secretary to Govt

Shemoga:	5	9	7	minimum 4.	10	4
				maximum 24	"	"
Kadur:	4 11	6	2	42	4	"

5. The Commr was of opinion that the claims of the Mahs would be fairly met by guaranteeing to it Rs. 500/- per annum & the Supt was requested to ascertain if the Mahs would accede to the proposal.

Letter No. 15 08/39 of 13th June /68 to Supt Nagar

6. The Mahs desired that the entire revenue under the head 'Abkari' may be made over to it.

& prosperity, explain & the Govt that the abkaree system in force did not admit of any other mode of adjusting the Govt's claim than a pecuniary composition & that the erection of a separate Distillery within the Imam could not be permitted.

2. In reply the Mal agent proposed that the Mal would open a shop in the village under its own agency, the requisite being supplied from the Govt Distillery & the Halaal accruing thereupon paid to the Mah, or that everything might be carried on as heretofore the amount derived from the sale of shops & halaal or liquor minus the charges being paid to the Mah.

3. The Supt was desired to report if he saw any objection to either of the two proposals recommended by the Mah being acceded to. The former suggestion seemed inadmissible unless the Dr. Supt could clear

That amount of liquor was really consumed.

10. The Supt. reported that he saw no objection to the proposal of the Mâl, that the Abkaree management of the Drum be entirely left to Govt as heretofore & the amount derived from the sale of the Passes & the realizations from the Mâl duty on liquor imported for consumption in the Drum villages minus the charges of establt to be paid to the Mâl. The Kadur Dy. Supt. furnished a statement showing according to the Mâl accounts that the Abkaree revenue averaged Rs. 927 per annum up to 1863/64 and according to the Govt. accts for the subsequent period Rs. 476/- per annum. The average of both items was Rs. 752. No. 244/20 of 19th April/64. Dy. Supt Kadur No. 9 of 5th May/64.

Supt. No. 971/15

In reporting on an arzee from the Sawadikar of the Rajpuri Mail complaining of delay in the payment of the Mail collections the Supt. stated that under the present system of audit the Mail is paid about the 3rd of the month following that in which it is due, but if the post audit system could be carried out, the Mail could be paid immediately after the close of each month during which the collections were made, on an advance to be adjusted on receipt of the audited bill.

The Chief Commissioner sanctioned the payment to the Mail of the Rajpuri dues immediately after the amount is certified by the Treasury Officer to be at credit. After which the bill should be forwarded for audit duly stamped.

Note by the Special Assistant Comr. —

The Excise Comr should be referred to the Dewans printed Memo Dy 19 Dec 91 which indicates the lines on which the whole question of the Excise Revn from Arrack under all heads is to be dealt with. In para 4 thereof it is clearly stated that the separate levies one of which pertains to the gallon fee, (which took the place of License fees & 4 annas Sur-charges on certain fixed quantities) were to be merged in "duty proper"

2. The amount realized by the sale of shops in out-lying Taluks therefore now represents the License fees thereat, and was evidently the mode adopted to realize that levy at the outset (prior to 1870) in the Sungeri and doubtless also

in other Distts holdings before fixed Scales were authorized in 1870 (17) Vide Proc dtd 8th 10/5 (17) Sec I

Dy 16th May/70. — In para 4 of Proc dtd 27th 26/105 (29) Sec IV Dy 14th July/88 in this connection Govt were of opinion that "the Inamdars in question are probably entitled to whatever is levied from the shops in their Inam Village". Govt allowed them to levy the License fee & Surcharge on Excess Sales, and after that, the 2 annas gallon fee.

3. The Excise Comrs should therefore under the orders of 8th May/89 (GO 1019-4/121) (34) Sec V submit refund bills for the full amount realized by the Sale of Shops in all the 3 cases in the Bangalore Distt as the Rural Farmers bear the cost of Carriage &c & not Govt; and deduct cost of carriage alone at the rates fixed in the Carrying Contractors agreements and pay the net amount to the Inamdars in

Sir,

With reference to the accom-

Ultimo, from Mr B. K. Venkatavaradaya
Sarvamanyendar of Kaglipur village
in the Kankanhalli Taluk, I have
the honor to inform you that
License fees on Arrack Shops in the
Inam village had hitherto been
levied by the Inamdar like other
Inamdars, by virtue of Sannads
granted to them for holding Inams.

2. Since the abolition of the
levy of such fee and duty on escess
[illegible] the Retail Shops

troduction of an uniform fee
2 annas per gallon issued to the
laces other than the City and
il and Military Station of
ngalore, it is a question whether
e Inamdars should not be
lowed to collect the latter fee
: lieu of the license fee abolished.

I am of opinion that the
amdars who have been enjoying
is Revenue under the authority
their Sannads, may be allowed
realise the fee of 2 annas on

The favor of an early reply

Sir

Retail Vend of Arrack. Up to this year Government was levying fee on licenses. Now no such fee is levied, but 2 annas per gallon, is collected at time of purchase.

In my Inam Village of Kaghipur (in the Kankanhilly Taluk) which have been levying the license fee from the vendor and you have been giving fresh license to him. But now he is also required (this year) to pay 2 As per gallon. This rate of 2 annas is in lieu of the license fee, and as no license fee was being levied from our man I beg you will have the goodness to issue orders not to levy the 2 annas rate from him. I humbly pray for early orders in the matter.

I have &c.

Sir,

In reply to your No. 3768/176 dated 3d. October 1887 I beg to state that the Jahgirdar of Yelandur was written to inquiring whether he has by Sanad the right to distil arrack in the Jahgir. No formal official reply has yet been received, and in answer to a D.O reminder Mr Krishna Murti promises to write fully and formally and says in the meantime that he has "the "right for arrack consumed in "the Yelandur Jahgir. There was "a still there till the Sudder "Distillery system was introduced "when the Jahgir was credited with "proportionate revenues."—

Under the orders conv

3. do of Kodlur - (do)

4. Jagirdar of Swamadamudam (Sarva In

5. — do — of Srungeri Jagheer — (Sarva Inam

3. Previous to the abolition as a separate levy of fees on Licenses and Extra sales, the above-named Inamdars were levying them from the Retail shops established within their limits as follows:—

Name of Village	No of shops	Amount collected per annum on account of license fees Rs.	Amount collected per annum on account of Excess sales Rs.

4. The Govt. have, since 1st April 1887, abolished the fees in question, but levy, in lieu thereof, a Cess of 2 Annas per Gallon on the quantity sold — The Inamdars in question are probably entitled to whatever is levied from the shops in their Inam villages — The question for decision therefore is whether the Inamdars should be paid the proceeds of the 2 Anna Cess, or whatever they ~~used~~ to collected in the shape of license fees in 1886/87 ? Before passing final orders the question, the Dewan

desires to be furnished with information as to the quantity of arrack sold in the shops above-mentioned during the year

5. The case of the Sringeri Jahagire is upon a totally different footing. The Matt is entitled not merely to the fees in question like the other Inamdars named, but also to the excise duty levied upon the arrack consumed within the Jahagire, minus charges of management (Vide Chief Commrs order dy. 18th Octr 1869, No 3786/89).
